The screenshot shows the Salesforce Trailhead profile page for Tom Ingram. The page title is "Tom Ingram". On the left, there is a sidebar menu with the following items: LEARN, Trails, Trailmixes, Modules, Projects, Trailhead Academy, and Career Paths. The main content area displays a credential for "Salesforce Certified Administrator" earned on "August 12, 2017". A red callout box points to the credential with the text "Certification no. 17586369". Below the credential, there is a paragraph of text explaining the requirements for maintaining the certification and a link for more information. At the bottom, there are two buttons: "Print View" and "Add to LinkedIn".

Tom Ingram

Credential: Salesforce Certified Administrator | Earned Date: August 12, 2017

Certification no. 17586369

Salesforce Certified professionals are required to actively maintain their certifications by successfully completing incremental maintenance focused on new product functionality. Salesforce Certified Professionals are able to add their credential(s) to their LinkedIn profile per the "Add to profile" link above. Misrepresentation of a Salesforce Certification will result in disciplinary action, up to and including removal from the Salesforce Certification program.
